

Personality Development Program - BIPSR

Extra-curricular activities

We firmly believe that all round development takes place only if a student participates in various extra-curricular activities. Therefore, a lot of emphasis and importance has been given to it. Sports activities, such as Cricket, Volley ball, Badminton, Carom, Chess, and various athletic events including field and track were organized over the year. There were nearly nine to ten events in cultural activities were conducted during the session with active participation of the staff and students.

Induction Program

With the cooperation of the students and the faculty members the Induction program was able to record the feedbacks of the students in **Expert Talks** from 27 to 31 Aug 2019. **Shri S L Nasa, Registrar, Delhi Pharmacy Council** was the expert to motivate the new entrants. The total involvement of deputed faculties actively engrossed in various responsibilities of induction program. That facilitated to motivate the entrants to stir like a sugar in water of institutional activities. Students are made aware about multidisciplinary areas and their developments and developed ability to transcend from subjective knowledge to the application of subject in real life situations.

Seminars/Workshops

The Bhavdiya Institute of Pharmaceutical Sciences and Research fetched the **seminar grant** from Dr APJ Abdul Kalam Technical University and conducted **National Seminar on Novel Drug Delivery System of Phytochemical Formulations in Lifestyle Disorders** held on 1 Feb 2020. **Dr Ajay Kumar Singh Rawat** former Scientist and Head, Pharmacognosy & Ethno pharmacology Division CSIR-NBRI, **Dr R K Shrivastava** Senior Scientist and Head, Business & Rural Development CSIR-CIMAP and **Dr Suchi Shrivastava**, Principal Scientist Plant Microbe Interaction Division CSIR-NBRI were the resource speakers of the seminar.
