## **INDUCTION PROGRAM 2021**

**(25 Jan 2021 to 30 Jan 2021)**

Bhavdiya Institute of Pharmaceutical Sciences & Research hosted the Induction Program, a unique fusion of specially pharmacy academic and non-academic activities, to nurture, mould and fortify pharmacy entrants for the days to come.

### Objectives of Program

- 1) To help the students to adjust and feel comfortable in the new academic milieu
- 2) To furnish them with an ease of transition to mainstream pharmacy studies through the introduction of ethos and culture of the institution
- 3) To help entrants build progressive and emotional bonds with peers and faculty members to self-explore and comprehend the larger purpose
- 4) To inculcate the virtues of health and hygiene and help them realize the power of inner strength
- 5) To revise and reform the seminal concepts to fill the lacuna and sensitize them towards exploring their academic interest and goals for excellence in academics
- 6) To develop awareness, sensitivity, and understanding of the self, people around them, society at large, and nature
- 7) To promote holistic development through the exposure of wide gamut of curricular, co-curricular and extracurricular activities

### Day 1, 3 & 3

The programme is inaugurated by lamp lighting done by the Secretary, Bhavdiya Group of Institutions. The inaugural speech was delivered by Dr. Sanjay Kushwaha. He told about the importance of programme. After the speech a video was played for showing the journey of college from the establishment of the college. The First Day of the induction was all about introducing the various teams of the Student Council and giving a glimpse of the numerous events conducted by them throughout the year.

A motivational speech was delivered by Dr. Awadhesh Kumar Verma, Secretary, Bhavdiya Group of Institutions. He mentioned the importance of human values, also the importance of spirituality, meditation in our lives. Dr. Verma welcomes new students and paid best wishes for future.

After the talk students were performed various activities were according to their skills and interest viz. Singing/Dance/Extempore/and other cultural activities. These would allow for creative expressions of students.

Day 2 and Day 3 had the wheels of the induction program in full motion, where the fresher's were encouraged to look beyond the textbooks and academic outlook by their teachers and seniors and dive into a multitude of co-curricular activities planned intensively for them. The students were coaxed into interacting with their peers, seniors and faculty members to develop strong interpersonal bonds from the start. Several technical, cultural, sports and literary activities were planned with an objective to integrate a holistic perspective and an outlook among the students to give back to the society and develop a mindset to coexist in a pluralistic world in peace.

To promote and encourage them into co-curricular ventures along with a focus on academics, a project problem solving hour was scheduled where the fresher's were tested on their problem-solving skills relative to a myriad of projects. This hour was exclusively to test the students' efficiency to find creative solutions to complex issues they faced.

The program was not just limited to books and academics, it was beyond it. A blend of skills, creativity and learning. While a group of fresher's was engrossed in these activities, the activities planned for another batch were no less of a learning experience.

#### **Day 4**

The programme is inaugurated by lamp lighting. The Chief Guest of the Program is Ms Shruti Gupta, CO Purakalandar Ayodhya. Dr Awadhesh Kumar Verma welcomes chief guest. Students are made aware about multidisciplinary areas and their developments and developed ability to transcend from subjective knowledge to the application of subject in real life situations. Vote of thanks was given by Institute Director, Dr. Sanjay Kushwaha.
